What is Shirley's Angels? What are we doing?

Shirley's Angels is a local 501c3 non-profit organization whose mission is to share a little bit of "mom's" love with those in the area undergoing treatment for breast cancer. Shirley's Angels shows support in the form of care packages and milestone celebrations to cheer on big and small victories along the path to survivor-hood. Our goal is to be an "angel" to each breast cancer warrior that needs to see hope and feel comfort in the midst of struggle. Visit the Shirley's Angels website at www.shirleysangels.org for more information. **Your money makes a difference...**

"I received an awesome delivery today and the timing was nothing short of perfect. I've been so discouraged recently and I had an appointment today about the next steps in my journey. I have big decisions to make about the best move forward. Thank you for your support, love and encouragement. You are amazing!"
